### INTRO

The mark of the beast. What is it all about? This subject is probably one of the most debated when it comes to end time events and is also one of the most misunderstood subjects. Just the phrase strikes fear and a sense of urgency amongst Christians today. Is it a microchip or a tattoo? Is it some kind of brand or logo that people are forced to wear in the forehead or right hand? Is it literal or symbolic?

Most of you, I'm sure, remember the first time we have thoroughly studied Bible prophecy together. We learned about the prophecies of the books of Daniel and Revelation, particularly Daniel chapters 2 and 7 in connection to Revelation chapter 13. Daniel 2 talks about the statue that was shown to us through King Nebuchadnezzar's dream. God had shown us that the statue was a timeline of prophetic events, particularly showing us the succession of superpowers that would rule the world starting from the head of Gold which was Babylon. Then, Daniel 2 says that after Babylon would come the silver empire which was Medo-Persia. Then Medo-Persia would be conquered by the bronze empire which was Greece. Then the iron monarchy of Rome would take over to become one of the most powerful empires in the world right before being picked apart and divided by ten barbarian tribes, three of which have since been extinct.

**Daniel 7** talks about the same exact prophecy except God gives us new information. In Daniel 7, Babylon was represented by a lion with wings, Medo-Persia was represented by a bear with three ribs in its mouth, Greece was represented by a leopard with four heads and wings, and Rome was represented by some kind of dragon with iron teeth. Then, Daniel says, that out of the head of that dragon was ten horns and then a little horn would sprout out to pluck up three of the first ten horns. This little horn would think to change the prophetic times of God and the law of God. He would speak blasphemy, which a lot of you now know means he would claim to be God on earth and claim to have the power to forgive sin. Daniel 7 also mentions that the little horn would rule for a time, that's one year, times, that's two

years, and a half a time, that's half a year which would be three and a half years or 1260 prophetic days which equal to 1260 literal years. These we mention with thorough detail in "From Babylon to America: The Prophecy Movie" and those who are up to date now know that the little horn, which is also the anti-Christian power, is identified as none other than the Papacy.

Then we get to [Revelation 13](#) and things get a lot more interesting...

## VLOG

Most of you probably know me by now. My name is Tila. We have been together for a few years now searching for truth. This time, we want to elaborate on something that a lot of people are very confused about. There are so many misleading interpretations and information out there about the mark of the beast. Some people claim that it is a microchip, some claim it to be a tattoo, or a logo, or some kind of bar code. Some claim it to be a day of worship, and some think it to be on a sprite can that people hold in their hands. It seems as if everybody has just been using their own opinions about the whole matter and only a few have actually used scripture to back up everything. You'll know what I mean when I say "everything".

In order for us to know what is the mark of the beast, we have to know who the beast is because it is the beast's mark that we are looking for. It is much like hunting for an animal's foot prints. How would we know what footprint we are looking for if we do not specify which animal it is from. We need to think about the mark of the beast in this exact way. We have to know who the beast is first before we know what is his mark.

Now, we have talked about all this before, we know who the beast is now and know who the second beast of Revelation 13 but, even though we have talked about the mark of the beast before, we did not really elaborate on it as much as we wanted to. So let's do a quick review.

You guys already know the deal. Bible prophecy, when it was written, was written thematically and symbolically. In order for us to

understand the symbols, we need to establish a few keys first to unlock the understanding of those symbols.

## KEYS

### Beast

[Daniel 7:17](#) talking about prophetic beasts, says:

*These great beasts, which are four, are four kings, which shall arise out of the earth.*

Again, we know that king and kingdom are used synonymously in Bible prophecy because you cannot have a king without a kingdom nor can you have a kingdom without a king.

[Verse 23](#) again talking about prophetic beasts, says:

*The fourth beast shall be the fourth kingdom upon earth.*

**Beast - Political Power/ Kingdom/ Nation/ Super power**

### Sea

In [Revelation 13](#), John was standing...

*...upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.*

In [Revelation 17](#), John sees the same exact beast that rises out of the sea, this time with a woman sitting on top of it.

And in [verse 15](#) the angel says...

*the waters which John saw, where the whore was sitting on, are*

*peoples, and multitudes, and nations, and tongues.*

### Sea - People/ Densely populated area

#### Horn

##### Daniel 7:24

*And the ten horns out of this kingdom are ten kings that shall arise:*

Again, a horn in Bible prophecy is a symbol for a king or a kingdom.

Habakkuk 3 talking about God says that...

*...he had horns coming out of his hand: and there was the hiding of his power.*

Horns are also symbolic for power.

### Horn - King/ Kingdom/ Power

#### Blasphemy

In John 10, Jesus walked in the temple in Solomon's porch. Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly.

Then Jesus begins to explain Himself to them to tell them about who He truly is and then in John 10:30-33 Jesus says:

*I and my Father are one. Then the Jews took up stones again to stone him. Jesus answered them, Many good works have I shewed you from my Father; for which of those works do ye stone me? The Jews answered him, saying, For a good work we stone thee not; but for blasphemy; and because that thou, being a man, makest thyself God.*

Blasphemy Definition #1 - When a man claims to be God on earth.

\* \* \*

This was ok for Jesus because Jesus is God.

In [Mark 2](#), Jesus meets a man who was sick with the palsy and Jesus says to that man in verse 5, Son, thy sins be forgiven thee.

In [verses 6 and 7](#):

*...there were certain of the scribes sitting there, and reasoning in their hearts, Why doth this man thus speak blasphemies? who can forgive sins but God only?*

Blasphemy Definition #2 - When a man claims to have the power to forgive sin.

But again, this was ok for Jesus because He is God and has the power to forgive sin.

**Blasphemy - claim to be God, claim to have the power to forgive sin**

Forty and two months - time, times, and a dividing of times - 1260 prophetic days

[Revelation 13](#) says about the beast:

5 *And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.*

In the Hebrew calendar there is only 30 days per month. 42 months times 30 days for each month is 1260 days. But what is a day in prophecy?

In [Numbers 14](#), after God took Israel out of Egypt, He declares a prophecy saying that Israel will search the land for forty days, the only thing is they actually searched the land for forty literal years because God says about the prophecy that each day was symbolic of a literal year.

Numbers 14:34

*After the number of the days in which ye searched the land, even forty days, each day for a year, shall ye bear your iniquities, even forty years, and ye shall know my breach of promise.*

In Ezekiel 4, God declares a prophecy about the house of Israel and the house of Judah. He tells Ezekiel to sleep on his left side for 390 days and on the right side 40 days and according to the number of those days, *God said, He has laid upon him the years of their iniquity and that He has appointed him each day for a year.*

Ezekiel 4:4-6

*Lie thou also upon thy left side, and lay the iniquity of the house of Israel upon it: according to the number of the days that thou shalt lie upon it thou shalt bear their iniquity. For I have laid upon thee the years of their iniquity, according to the number of the days, three hundred and ninety days: so shalt thou bear the iniquity of the house of Israel. And when thou hast accomplished them, lie again on thy right side, and thou shalt bear the iniquity of the house of Judah forty days: I have appointed thee each day for a year.*

A day in prophecy equals to a literal year. In Luke 13, Jesus used this same principal.

Luke 13

*31 The same day there came certain of the Pharisees, saying unto him, Get thee out, and depart hence: for Herod will kill thee.*

*32 And he said unto them, Go ye, and tell that fox, Behold, I cast out devils, and I do cures today and tomorrow, and the third day I shall be perfected.*

This was at the beginning of Jesus' ministry. He said He will cast out devils and cure people for three more days and then He will be perfected which means complete. He did cast out devils and cured people, but it was more than three days, He actually did it three more years and then He said on the cross, "it is finished!" meaning it is complete, it is perfected.

Forty and two months - time, times, and a dividing of times - 1260

prophetic days/1260 literal years

### Saints

Hebrew - *Kodesh* - the holy ones, the ones who are set apart.

Greek - *Hagios* - those who are morally blameless

### Dragon

#### Revelation 12:9

*And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.*

So, in the primary sense, the dragon is the devil. But there is a secondary application.

Revelation 12 starting in verse 4, Talking about the dragon says:

*4 his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born.*

*5 And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne.*

First of all, what is a dragon? It is a beast. And remember, a beast is a symbol for a kingdom or a political power. Now, who was the man child who is now caught up unto God and to his throne? That would be Jesus Christ. Only Jesus Christ is worthy to ascend into heaven to His Father and unto his throne.

Verse 4 says that this dragon, meaning this beast, or this kingdom, wanted to devour the man child, which was Jesus Christ, as soon as He was born. Who was the king from which kingdom that tried to kill Jesus as soon as He was born? In Matthew 2, it was king Herod of

Pagan Rome that ordered to kill all of the sons of Bethlehem under 2 years old in hopes that Jesus would one of those that were killed. He felt threatened by Jesus because he had heard the prophecy that one day this child would take hold of rulership.

So in a secondary sense, the dragon is also pagan Rome.

### **Dragon - Satan/Pagan Rome**

### **Sword**

#### **Ephesians 6:17**

*And take the helmet of salvation, and the sword of the Spirit, which is the word of God:*

In the primary sense, the sword is the word of God.

#### **Romans 13:1-4**

*Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation. For rulers are not a terror to good works, but to the evil. Wilt thou then not be afraid of the power? do that which is good, and thou shalt have praise of the same: For he is the minister of God to thee for good. But if thou do that which is evil, be afraid; for he beareth not the sword in vain: for he is the minister of God, a revenger to execute wrath upon him that doeth evil.*

#### **Matthew 26:52**

*Then said Jesus unto him, Put up again thy sword into his place: for all they that take the sword shall perish with the sword.*

### **Sword - Bible/Civil Power**

## Image

[Gen 1:26](#) And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

[Gen 5:3](#) And Adam lived an hundred and thirty years, and begat a son in his own likeness, after his image; and called his name Seth:

[Exo 20:4](#) Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth:

### **Image - Likeness**

## Worship

Hebrew word *shaw kaw*

Greek word *proskuneo*

To bow down to, crouch, revere, prostrate to, or submit to.. someone or something.

**Worship - to bow down and prostrate oneself in submission and obedience to someone or something, usually in a spiritual or religious sense.**

### Combined Beast

Here is something new. In From Babylon to America, part 1, we learned about the prophecies of the book of Daniel and chapter 7. We have the lion that represents Babylon, the bear that represent Medo-Persia, the four headed leopard that represent Greece, and the dragon with ten horns. They all represent pagan political parties. Political parties that worship the sun. A combination of pagan religion and

state. If we combined these pagan representations, we would have a lion with one head, a bear with one head, a leopard with four heads, that makes six heads, and a dragon with one head and ten horns, together they all have seven heads and ten horns...

**KEYS:**

**Beast** - Political Power/ Kingdom/ Nation/ Super power

**Sea** - Peoples, multitudes, nations and tongues/ Densely populated area

**Horn** - King/ Kingdom/ Power

**Blasphemy** - Claim to be God on earth/ Claim to have the power to forgive sin

**42 months/ 1260 Days** - 1260 Literal Years

**Saints** - Those who are morally blameless

**Dragon** - Satan/ Pagan Rome

**Sword** - Bible/ Civil Power

**Image** - Likeness

**Worship** - to bow down and prostrate oneself in submission and obedience to someone or something, usually in a spiritual or religious sense. Bow down to, prostrate to revere, submit to.. someone or something. To obey.

**Combined Beast** - pagan religious and political party with elements of lion, bear, leopard, dragon, with 7seven heads and ten horns

**Revelation 13**

*1 And I stood upon the sand of the sea, and saw a beast rise up out of the sea, having seven heads and ten horns, and upon his horns ten*

*crowns, and upon his heads the name of blasphemy.*

*2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion: and the dragon gave him his power, and his seat, and great authority.*

This beast, this super power, will have elements of pagan Babylon, pagan medo-persia, pagan Greece, and pagan Rome. This means that this super power will have a combined pagan religious system, in other words it will have a universal religion. He will have the name of blasphemy on his heads, which means he will claim to be God on earth, the God of the Bible, and he will claim to have the power to forgive sin. He will receive his power and seat and authority from satan and pagan Rome. Sound familiar?

### Revelation 13

*3 And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.*

*4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?*

*5 And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.*

This beast will receive a deadly wound, we'll talk about that later. He will be worshipped, again, meaning this is a religious system and people will obey his commandments. And then the question, who is able to make war with him? It will also be a political power. It's a combination of religion and state. He is given a mouth speaking blasphemies, this beast will have a figure head or a spokesperson that will claim to be God on earth and claim to have the power to forgive sin. He will rule for forty and two months, that's 1260 days, but we are talking prophecy so that would mean that this super power will rule for 1260 years.

*6 And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.*

*7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.*

*8 And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.*

*9 If any man have an ear, let him hear.*

*10 He that leadeth into captivity shall go into captivity: he that killeth with the sword must be killed with the sword. Here is the patience and the faith of the saints.*

Again, this super power will be blasphemous, he will claim to be God on earth and claim to have the power to forgive sin. Four times this is mentioned, this must mean that being blasphemous is the main characteristic of this beast. He will make war with the saints, persecute them, and overcome them, meaning control them and keep them captive. He is given power over people of all nations, it will be a world wide power. He leads into captivity but he himself then will also be led into captivity. He killed the sword, the Bible and civil power, but he himself will also be killed with the sword, the Bible and civil power.

1. Is the Papacy a combination of universal pagan religions?

The Christians back in the time of Nero used to be the most persecuted people in the world. They would capture Christians and throw them to the lions. They were also being burned at the stake. But the Christians had this peace about them while being persecuted and killed and people, in those days, admired that. The people were inspired by it so much that they wanted to become Christians as well. And so, Christians went from being the most persecuted sect to becoming the most elite. If you wanted to advance politically, you had to become a Christian to do so.

Meanwhile, the church of Rome used to be a good church. Then they had this idea to try and evangelize to the heathens of those days, which was easy to do because most heathens wanted to convert to Christianity anyway for political gains. And so, pagans would come to the church, BUT they brought along with them their pagan rituals and beliefs. So what ended up happening was, instead of the church converting pagans into christianity, the church themselves were being converted into paganism.

They started mixing in Christianity with paganism. They brought in elements of pagan babylonian concepts, pagan Persian concepts, pagan Greek concepts, pagan Roman concepts, Norse mythology, Celtic mythology, Egyptian, you name it. They started worshipping the sun on the day of the sun, or Sunday, instead of worshipping God on the Sabbath. This was the main theme of paganism. Sun worship. They began to bring in idolatry. The statue of Jupiter were renamed after Peter. The statue of Hermes became Christ the good shepherd. Statues of the madonna and child became the glorification of the virgin Mary and Jesus as an infant. The church of Rome became the catholic church which means universal church. It was like an open invitation for any and every religion to come in and add into the church their own pagan concepts. And we see this happening with the same exact church

today....

So is the papacy a combination of universal pagan religions? It is.

2. Is the Papacy blasphemous? Did it claim to be God on earth? Did they claim to rule or speak and legislate rules for God on earth? Did they claim to have the power to forgive sin?

A. Does it claim to be God on earth?

The Archbishop of Venice prior to becoming Pope Pius X

*"The [Bishop of Rome] is not only the representative of Jesus Christ, but he IS Jesus Christ Himself hidden under the veil of the flesh. Does the [Bishop of Rome] speak? It is Jesus Christ who speaks."*

The head of this system claims to be God on earth. In fact, the word pope means father. He even calls himself the holy father.

B. Does it claim to rule for God on earth?

The Great Encyclical Letters to Leo, XIII  
Page 304

*"We hold upon this earth the place of God Almighty."*

C. Does it claim to have the power to forgive sins?

Dignity and Duties of the Priest  
Page 34 Ligonier

*Were the Redeemer (Jesus Christ) to descend into a church, and sit in a confessional to administer the sacrament of penance, and a priest to sit in a confessional, Jesus would say over each penitent: 'Ego te absolvo,' (latin for I forgive u) the priest would likewise say over each of his penitents, 'Ego te absolvo,' and the penitents of each would be*

*equally absolved.*

*That means if Jesus forgives me of my sins and a catholic priest forgives u of ur sins we are both equally forgiven..... is that blasphemy?*

The Papacy was blasphemous

### 3. Did pagan Rome give the Papacy its seat and authority?

Again, Justinian's code tell us...

### 4. Is the Papacy a combination of religion and state?

The History of the Christian Church - Vol 3  
Page 327

The [Roman Church-State] power became supreme in Christendom in 538 AD. Due to a letter of the Roman emperor Justinian, known as Justinian's decree, which set up and acknowledged the bishop of Rome as the head of all churches.

It gave the [Roman Church-State] political power, civil power as well as ecclesiastical power. This letter became part of Justinian's code, the fundamental law of the Empire and that year Pope Vigilius ascended the throne under the military protection of Belisarius.

The Vatican established its authority in AD 538 as the political power AND ecclesiastical power. The Vatican is also the only church in the world that has its own government. In fact, the Vatican even has its own army.

**The Papacy is a combination of church and state.**

5. Does it have a man as a figurehead or spokesperson? The pope.

6. Did the Papacy reign for 1260 years?

Remember, the papacy officially gained its power, seat and authority from pagan Rome in the year 538 AD. In 538 AD and at the year 1798 AD, Napoleon became sick and tired of taking orders from the Papacy and he sent one of his top generals named Berthier to arrest the Pope and then claimed Rome and ended the Roman Church State.

Do the math 538 AD to 1798 AD.... 1260 years.

538 AD plus 1260 years equals 1798 AD

7. Was the Papacy a world wide power that made war with God's people?

The Roman church state has shed more Christian blood than any other institution that has ever existed on earth via the inquisition...

over one hundred million christians were killed by the papacy during a period called the dark ages.

You know why they call it the dark ages? Because the Bible was illegal. If this power caught you with a bible in your hands you were immediately taken in for heresy and you were tortured and eventually killed... which leads us to characteristic number 8...

8. Did the Papacy lead people into captivity?

Again, the Papacy lead God's saints into captivity during the inquisition.

9. Was the pope lead into captivity?

We know that in 1798, the pope himself, who had been leading Christians into captivity, was led into captivity by General Berthier. He was then exiled.

10. Did the Papacy kill with the sword, the Bible and civil power?

During the dark ages the papacy took the Bible away from the common people and twisted scripture as a means to prove that those true God fearing and commandment keeping Christians were heretics. Then the papacy, through the inquisition, killed God's saints with the civil power.

11. Was the Papacy killed with the sword, the Bible and civil power?

If you are a Christian you are most likely a protestant. Most Christian denominations are protestants. Just take some time to research and dig up your church history and you will soon learn about the roots of protestantism. A man named Martin Luther, he was a catholic monk. He dedicated his whole life for God. One night he was sailing to.... And it began to storm really bad and he was afraid for his life and so he prayed to God. He made God a promise that if his life would be spared, he would thoroughly dedicate himself. And so his life was preserved and he did exactly what he said he would do. He thoroughly dedicated Himself to God and became a monk. Then he started doing weird rituals... to show his dedication to God. Although some of his ideas were not biblical, God still worked with him.

\* \* \*

One day, a verse came to his mind. The just shall live by faith... not by works and rituals. He was mind blown because he had been doing these rituals and they were all in vain. He came to the realization that the catholic church have been teaching a whole slew of things that were not biblical at all. And so he protested the church and nailed ninety five thesis on the church door about the unbiblical things that church was teaching. Of course there were more than ninety five but he couldn't fit them all in the church door. The protestant movement began and people started to really dig deep in the Bible and realize that Martin Luther had just embarked on a whole new truth that people have never heard of before because nobody taught those things that we can only find in the Bible. Soon after, protestants like..... began to realize through diligent Bible study that the papacy was the little horn of Daniel 7 and the sea beast of Revelation 13. The papacy's power to control the minds of the people went on a steady decline because of the truth of God's word. The papacy was killed with the sword, the Bible.

Was the papacy also killed with the civil power? Of course we all know now that in the year 1798, Napoleon Bonaparte was sick and tired of taking orders from the pope and so he sent his general, general Berthier, to arrest the pope. Then finally, the pope was killed by the sword, the civil power, when he died during exile. This leads us to the next point.

## 12. Did the Papacy have a deadly wound?

Even though the papacy was still around, it's power died when the pope was arrested and killed. This was deadly wound. And now the Bible says that the papacy's wound would heal. In 1929, Mussolini reinstated the papacy's power. Although not fully, the papacy's wound began to heal. But haven't seen the wound fully heal. Remember, the beast has elements of a leopard, bear, lion and dragon. These are predators. Fierce and strong animals that attack their prey. A predator does not attack when deathly wounded. But once it is fully healed and hungry, it will strike again..

\* \* \*

The question now is, when will the Papacy's deadly wound fully heal?

## BEAST OUT OF THE EARTH

I used to love those puzzle games when I was a kid. Not just those little picture puzzles, also like rubix cube word puzzles. But there were other puzzles. Hard ones to solve. Like riddles. Kind of like those detective puzzles where you have to do some critical thinking. In order to solve some of those riddles, you have to look at the clues, context clues. You have to use the process of elimination.

### Riddle:

If Teresa's daughter is my daughter's mother. Who am I to Teresa? If we say it backwards, it is pretty simple to understand. My daughter's mother is Teresa's daughter. If I'm the narrator and me being a man, when I say "my daughter's mother is Teresa's daughter" you can already begin to tell who I am to Teresa. I would be the son in law. Teresa's daughter would be the mother of my daughter so then Teresa's daughter is my wife.

The Bible is full of "complex" sentences like this and critical thinking is needed in order to break down those sentences written in the Bible.

Let's make a list of the descriptions the Bible gives us about this second beast of Revelation 13.

So now that we know who the first beast of [Revelation 13](#), the Bible tells us that right around the time the papacy is on it's way down, 1798, there is another beast John saw that was on it's way up.

*11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.*

1. Beast - Super power

\* \* \*

2. Now, remember, this lamb-like beast rises up right when the papacy was on its way to captivity which is in the year 1798. So this superpower will rise up around late 1700s.

3. Notice, prophecy goes from east to west. In Daniel 2 and Daniel 7, that first kingdom was Babylon. The second kingdom was Medo-Persia which is west of Babylon. Third kingdom was Greece which is west of Persia and the last kingdom was Rome which is to the west of Greece. Rome then gave its seat of authority to the Papacy. Where, then, will this lamb like beast, this super power, rise up out of? If we follow the movement of prophecy, it should rise up in the western hemisphere and not the eastern hemisphere. In the NEW world and not the OLD world.

4. Comes up out of the earth which is the opposite of the sea. Sea is densely populated area. Earth is sparsely populated area.

5. Lamb like beast. Lamb = Christ. Christian nation with christian principles. two horns. These horns are very different from the horns we've seen in prophecy before. Remember, the first beast had ten horns and ten crowns. This lamb-like beast has two horns and no crowns.

Two horns/ kingdoms/ powers - two principals

### What are the Two Principles of Christ?

[Matthew 22:36-40](#) When Jesus was being asked, which is the greatest commandment. Here's what he had to say:

*Master, which is the greatest commandment in the law? Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbour as thyself. On these two commandments hang all the law and the prophets.*

The Two Principles of Christ = Love God and Love neighbors. This is why God specifically wrote the Ten Commandments on two tables of

stone. Not one, not three, but two for a specific reason. **First table, which contains the first four commandments, describes our duty towards God, governed strictly by a religious power. This is a Spiritual kingdom. The second table, which contains the last six commandments, describes our duty towards man, our neighbors, governed strictly by a civil power. Civil kingdom.**

These two principles were even laid out by Jesus Himself.

In **Mark 12:14-17**, a group of people came to talk with Jesus.

*And when they were come, they say unto him, Master, we know that thou art true, and carest for no man: for thou regardest not the person of men, but teachest the way of God in truth: Is it lawful to give tribute to Caesar, or not? Shall we give, or shall we not give? But he, knowing their hypocrisy, said unto them, Why tempt ye me? bring me a penny, that I may see it. And they brought it. And he saith unto them, Whose is this image and superscription? And they said unto him, Caesar's. And Jesus answering said unto them, Render to Caesar the things that are Caesar's, and to God the things that are God's. And they marvelled at him.*

In the context, God controls the religious power or spiritual kingdom and Caesar, today we call it the government, controls the civil power, or civil kingdom.

Two Principals = Church and State and the Separation thereof. This lamb-like beast is a Christian nation acknowledging the separation of two powers, Church and State.

## RECAP

1. Beast - it is a super power
2. Come up around late 1700s
3. Will come up in the western hemisphere in the new world and not the old world
4. Comes up in a sparsely populated area
5. Christian nation that acknowledges the two principles of Christ.

Church principals, state principals and the separation thereof.

What is the only Christian based superpower that rises up in the late 1700s in a sparsely populated area in the western hemisphere who acknowledges church and state and the separation thereof?

It is none other than the United States of America.

1. Is it a beast or a superpower? The US is actually one of the most influential superpowers in the world since the papacy.

2. Did it come up in the late 1700s?

1776 - Declaration of independence

1783 - End of revolutionary war against great Britain

1787 - US Constitution framed

1789 - US Constitution ratified

1789 - 1797 George Washington served as our first president

While the papacy was on its way down, the US was quietly establishing its power and dominance.

3. Did the US come up in the western hemisphere?

It is no secret that the United States came up in the new world in the western hemisphere. Even our currency states that we are established in New world and US even calls this the new world order.

4. Did the US come up in a sparsely populated area?

When the US was discovered, this continent wasnt densely populated.

5. Does the US acknowledge church and state and the separation thereof?

The US has a constitution actually protecting the separation of church and state. One of the reasons why our founding fathers came to claim this land was because they were trying to detach themselves from a king that runs both church and state which is the pope. This is the reason why we came up as a republic and a protestant nation.

republicanism is a kingdom without a king.. and Protestantism is a church without a pope.

The United States of America is the only entity in the world that fits the description of this second beast that rises out of the earth. Now, this doesn't mean that the citizens of the US are evil ppl. Similarly, just because the papacy is the 1st beast of revelation does not mean the citizens of the Catholic church are evil ppl. Most of them just don't know.

### IMAGE OF THE BEAST

Things to remember:

An **image** in the Bible is a **likeness of something**

The sea beast of Revelation 13 is the Papacy

The sea in Bible prophecy is a densely populated area but specifically Rome or Europe where the Papacy rose out from

The land beast is America

The earth, where the land beast rose out from, is a symbol for a sparsely populated area but specifically the land of America

#### Revelation 13

*11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.*

*12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.*

*13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,*

*14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.*

*15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.*

*16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

Remember, an *image means a likeness*. The second beast, that's America, will tell those who dwell on the earth, remember, the second beast america rose from the earth, so those that dwell on the earth would be Americans.. America will tell those who dwell on the earth, Americans, to make an image, a likeness of the beast, the papacy. What is the papacy? A union of church and state. That is the image to the beast. It will be a union of church and state.

Now, [verse 11](#) says that the second beast will speak as a dragon. We know that [a beast in Bible prophecy is a super power](#). What does a super power talk about when it speaks? Laws and legislations.

[Verse 15](#) says that life will be given to the image of the beast, union of church and state, and that it should **both SPEAK, make laws and legislations**, and **CAUSE, enforce those laws and legislations**, that as much as would not WORSHIP this image, that means those who do not OBEY THE COMMANDMENTS OR LAWS OF THIS UNION OF CHURCH AND STATE, should be KILLED. And he causeth, or enforce, both small and great, rich and poor, free and bond, to receive a mark, in their right hand, or in their foreheads:

[Verse 17](#) says that no man might buy or sell, save he (**except he**) that had the mark (**those who keep Sunday**), or the name of the beast (**those who has the CHARACTER or COMMANDMENTS of the papacy, sunday keeping included**), or the number of his name (**again representing the apostate character of the papacy**).

So... America will tell it's citizens to make a likeness of the papacy, a persecuting union of church and state, and this union will speak and enact the same laws and commandments of the beast which is the papacy. That same law, mainly, is Sunday worship, and they will enforce Sunday worship and those who do not obey this law or commandment will not be able to buy or sell and will eventually be killed. Remember, individuals in the end times, will receive the mark of the beast when they accept and obey the commandments of the beast, specifically the Sunday Law. Why? **Because it is by the keeping of Sunday instead of God's Sabbath that let's one know if a person is**

**in allegiance to the beast instead of God.** There will be a system where only those who have that mark will be able to buy and sell.

Some have already heard me talk about the blue laws, which are the Sunday Laws. It's already a law in America and also in other countries but not yet being enforced. The main objective of the blue laws is that every Sunday buying and selling would be banned... in fact they already started in Poland. One Sunday out of the month, buying and selling is banned. Of course except for gas stations and things.. by next year Two Sundays out of the month buying and selling will be banned and by 2020, Sunday shopping will be banned indefinitely.

You know, every time there is a natural disaster, food and water and other necessary supplies become limited. What if more natural disasters come and limits our necessities? People would die, there would be an economic crisis.

*15 And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.*

*16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:*

*17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

**That's important. Those who receive the mark of the beast will also have the NAME of the beast and the NUMBER of his NAME.** Remember this.

*18 Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*

## MARK OF THE BEAST

By now, we are all most likely overwhelmed about what we have been learning so far. We have been seeing the interpretation of prophecy unfold and very clearly understand the intricate fulfillment of these prophecies all throughout history.

[Daniel 2](#) talks about a statue which we now know outlines the timeline blueprint of history.

In *From Babylon to America Part 1*, we expounded upon the feet of that statue and we now know that the feet of iron and clay represents the division of rome, the mixing of church and state and the mixing of Christianity and paganism.

[Daniel 7](#) explains the same prophecy except God gives us more details about the end time. The little horn we now know is the Papacy.

We moved on to John the revelator and God gives us yet again the same prophecy but again gives us even more details about the end times. God lets us know that the papacy receives his deadly wound and while he receives that deadly wound, America rises quietly to power.

## VLOG

We have talked about the symbols that God uses to communicate to us prophetic visions. We know how to interpret prophecy now using the symbols God gave us and His interpretation of those symbols. We are now at the era of this second beast of [Revelation 13](#) which is America.

*11 And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.*

*12 And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.*

*13 And he doeth great wonders, so that he maketh fire come down from heaven on the earth in the sight of men,*

***14 And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.***

Now remember, an image means a likeness or a replica of something. The Bible says the United States will make a likeness of the papacy. What was the papacy? It was a persecuting super power that united church and state who persecuted Christians who did not worship them by obeying their commands. This means then that the US will also unite church and state and will persecute those who will not worship them by obeying the commands of this soon to be mirror image or likeness of the papacy and this is something that has been slowly happening in recent time.

***16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:***

***17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.***

The greek word John used for "mark" is the word

*charagma*

a stamp, an imprinted mark  
of the mark stamped on the forehead or the right hand as the badge of the followers of the Antichrist  
the mark branded upon horses  
thing carved, sculpture, graven work  
of idolatrous images  
Origin: from the same as G5482

TDNT entry: 15:56,1

Part(s) of speech: Noun Neuter

Strong's Definition: From the same as G5482; a scratch or etching, that is, stamp (as a badge of servitude), or sculptured figure (statue): - graven, mark.

\* \* \*

In the Bible, a mark is an imprint or stamp that indicates ownership.

[Rev 14:9, 10](#) *And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God,*

[Rev 14:11](#) *And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night who worship the beast and his image, and whosoever receiveth the mark of his name.*

[Rev 20:4](#) *And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years.*

By reading these verses, we might have noticed something particular about the mark of the beast and that is, it is closely connected to the worship or obedience to the beast and his image. It is also connected to buying and selling. But we will get into that later on. Now remember, to worship means to bow down and prostrate oneself in submission and obedience to the commands of someone religiously. So whoever has the mark of the beast on their forehead or right hand directly means they are worshipping the beast by bowing down to the beast and submitting to the commandments of the beast or in modern terms submitting to the laws of the beast.

So it makes sense now why it is the mark of the beast. This mark indicates ownership so that one can tell who belongs to the beast by the mark. So if you have the mark of the beast or the signature of the beast, it means you belong to the beast, you worship him and obey his commands or laws and you acknowledge that he owns you through your obedience and that you give your allegiance to him. But what exactly is the mark? Is it a tattoo? Is it a computer chip? Is it a barcode?

We know that the book of Revelation is written thematically and symbolically. For example, [Revelation 13](#) talks about a seven headed

beast with the name of blasphemy on his heads... we know who that is now, and we know we aren't looking for a literal seven headed beast with the name blasphemy on his forehead.

[Revelation 17](#) talks about a harlot with the name Babylon on her forehead... we are not looking for an actual or a literal prostitute with the name Babylon on her forehead. It is symbolic.

[Revelation 13](#) says there will be a group of people with the mark of the beast in the forehead and or right hand... this is a spiritual mark. We are not looking for people with an actual mark or tattoo on their forehead or right hand.

Before we reveal what the actual signature or mark of the papacy is, let's ask another question. If the papacy has a mark that tell us who belongs to the papacy, does God also have a signature that He gives which indicates who belongs to Him?

**[Rev 7:2, 3](#) *And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.***

The seal of God is what indicates who are the servants of God.

1. What is the seal of God
2. Why is it only in the foreheads

In order for us to answer this..  
Take you thru a maze  
Because a lot of branches, interlocking

Right now, we are gonna get into something that might seem like it's out of place but trust me, just follow along and you will see why we r taking this route later on.

## ANIMATION

In the beginning God made the whole world. Everything was perfect. Everyone was in harmony BEFORE sin. Then God set a rule for man in [Genesis 2:17](#). He said not to eat this fruit because on that very day that man do eat the fruit man will SURELY die. Adam and Eve broke that rule, which means they sinned.

Paul says in [Hebrews 9:22](#) that without the shedding of blood there is no remission or deliverance from sin. He also says in [Romans 6:23](#) that the wages of sin is death. Did Adam and Eve die the day that they sinned? Although some might say that they spiritually died that day, which I believe that to be true, but in a physical sense, no, they did not physically die that day... were their blood shed that day? No... God said man would die the same day as the result of sin, why were they still alive? Someone had to die... someone's blood had to be shed... otherwise it isn't lawful for them to be walking around alive after they have just sinned.

Well, in [Genesis 3](#), God does something interesting. It says, there in [verse 21](#) that God made coats of skin and clothed Adam and Eve... How did God get the coats of skin? An animal must have died that day in order for the skin to be available to properly cover Adam and Eve. Let's think about this. Who sinned? Adam and Eve or the animal? The animal did not sin that day. It was Adam and Eve who sinned that day. The animal was innocent. Adam and Eve deserved the death penalty, but instead, the innocent animal died that day and took that death penalty for them. So the shedding of an innocent creature was the reason why Adam and Eve were still alive that day. Someone took their place in death. This was the day God had established the sacrificial system on earth after sin as the remission or deliverance from sin. This is called a foreshadowing. Now, there was no way that the death and the shedding of some animal's blood would take away sin, in fact even Paul mentions that in hebrews... that it isn't the blood of bulls and goats that take away the sin.. those sacrifices were a foreshadowing that pointed to the ultimate sacrifice of Jesus Christ.

Before sin, there was no need for a sacrifice. Everything was perfect. After sin, God had established the sacrificial system on earth. Remember that. Before sin, there was no need to foreshadow an ultimate sacrifice because a sacrifice is only needed if there was sin to take away. After sin was introduced, the foreshadowing of the ultimate sacrifice was then needed because it symbolized the promise that an ultimate sacrifice will one day come as the means by which God would take away sin.

So, Adam and Eve had to make sacrifices, Cain and Abel had to make sacrifices, although Cain's sacrifice was no good because he sacrificed plants and did not shed blood. Abraham had to make sacrifices. The Israelites had to make sacrifices. But with the Israelites, this was when God had made a whole systematic sacrificial laws and ceremonies which centered around sacrifices as symbols and shadows foreshadowing the real ministry of the ultimate sacrifice Himself, Jesus Christ... His innocence, His death, burial, resurrection, and work in the heavenly Sanctuary. Here's what I mean...

In the old testament, God saw the daughter of Zion, that is Israel, as a comely and delicate woman. He even says that He was like a husband unto them. In Exodus God married Israel, gave them a set of Ten Commandments, and says if you do all these things I will bless you. Then Israel says, all that you have said, we will do. This was the marriage vow, but then they end up breaking their marriage vows, the Ten Commandments, which is sin. 1 John 3:4 even tell us that sin is the transgression or the breaking of the law. And so what ended up happening was, in order for Israel to reconcile with God after breaking the Ten Commandments, God had to establish a sacrificial system because if He didn't, they would all die because remember, blood has to be shed for the remission of sin.

In [Leviticus 23](#) God puts in detail the sacrificial system and makes a list of feast days that center around a sacrifice which Israel must keep, and evidently, **those feast days were also called Sabbaths or Sabbath Days. They were different from the weekly Seventh Day Sabbath. Let's keep this in mind. The Seventh Day Sabbath was established**

**on earth BEFORE sin. The feast day Sabbaths were established AFTER sin. This is important.** We will bring this up again later.

[Leviticus 23](#) starts off with God speaking to Moses about a message He wants to give Israel. He tells Moses... *Speak unto the children of Israel, and say unto them, Concerning the feasts of the LORD, which ye shall proclaim to be holy convocations, even these are my feasts.*

And then God first makes a distinction between the Seventh Day Sabbath and the feast days. He says, *Six days shall work be done: but the Seventh day is the Sabbath of rest, an holy convocation; ye shall do no work therein: it is the sabbath of the LORD in all your dwellings.*

And then, starting from [verse 4](#), God began to announce the feast day Sabbaths. He says... *These are the feasts of the LORD, even holy convocations (rehearsals), which ye shall proclaim in their seasons.*

And then He goes on to list the feast day Sabbaths. Here is the list, which were, again, established AFTER sin. You can read all this in [Leviticus 23](#).

1. [Passover](#) = shadow of Jesus' death crucifixion
2. [Feast of Unleavened Bread](#) = shadow of Burial of Jesus
3. [Feast of First Fruits](#) = shadow of the Resurrection of Jesus
4. [Feast of Weeks \(Pentecost\)](#) - shadow of Descent of the Holy Spirit/ Birth of Church
5. [Feast of Trumpets](#) - shadow of judgement
6. [Day of Atonement](#) - shadow of the cleansing of the sanctuary
7. [Feast of Tabernacle](#) - Millennial Reign

What was the main point of these feast? Why were they established?

37 These are the feasts of the LORD, which ye shall proclaim to be holy convocations, to offer an offering made by fire unto the LORD, a burnt offering, and a meat offering, a sacrifice, and drink offerings,

every thing upon his day:

These feast day Sabbaths were solely established as ceremonies with the main point being the offering of a sacrifice. Without a sacrifice, there is no point to keeping the feast day Sabbaths. These feasts were actually a picture foreshadowing the events that will take place from Jesus Christ's ministry on earth to the very day of redemption.

Feast 1: Passover

[Leviticus 23:5](#) Passover lamb

We as Christians should know what the Passover is a foreshadowing of. 1 Corinthians 5:7 tell us that Jesus was Passover Lamb that was sacrificed for us. This was fulfilled exactly to the same hour

Feast 2: Feast of Unleavened Bread

[Leviticus 23:6](#) pointed to Christ's sinless life/ perfect sacrifice for sin

Unleavened bread was bread without yeast. Yeast is used in the Bible as a symbol for sin. Jesus says in John 6:35, "I am the bread of life." So the unleavened bread symbolized Jesus Christ who was without sin.

Feast 3: First Fruits

[Leviticus 23:10](#) Christ's resurrection

This feast pointed towards Jesus' resurrection. In 1 Corinthians 15:20 Christ is referred to as first fruits from the dead. Jesus resurrected on this very day

Feast 4: Feast of Weeks (Pentecost)

[Leviticus 23:16](#)

This feast occurred fifty days after the beginning of the feast of unleavened bread. We Christians should know that Acts 2 displayed the fulfillment of Pentecost. The Church was established on this day when God poured out His Holy Spirit.

Feast 5: Feast of Trumpets

[Leviticus 23:24](#)

Trumpets in the Bible are used to symbolize loud warnings or cries that have to do with judgment. This was fulfilled in the 1840s when the Millerites and others began to proclaim to the world the message of

judgment.

### Feast 6: Day of Atonement (Yom Kippur)

[Leviticus 23:27](#)

In the Old Testament, at the day of atonement, the high priest would cleanse the sanctuary from the blood of the sacrifices sprinkled inside throughout the year. Paul says in Hebrews 4:14 that we have a high priest that is passed into the heavens, Jesus the Son of God. The day of atonement was a symbol for Jesus, the true high priest, who have gone from earth to heaven cleansing the heavenly sanctuary.

### Feast 7: Feast of Tabernacle

[Leviticus 23:34](#) Millennial reign where God will "tabernacle" with His people

The Feast of Tabernacles was the last feast in the yearly round of service, and typified the final consummation of the entire plan of redemption. It began on the fifteenth day of the seventh month, when the harvests were all gathered from field, vineyard, and olive groves. As the time approached, from all parts of Palestine, groups of devout Jews might be seen wending their way to Jerusalem. And not only from the Holy Land, but believing Jews from all the surrounding countries went up to Jerusalem to attend the Feast of Tabernacles. The Lord required all the men to attend this feast, but many of the women and children went also. This feast points to the second advent of Christ when He comes to gather His people to take them to the New Jerusalem to "tabernacle" with them.

So these feast day Sabbaths were all foreshadowing the ministry of Christ.

These feasts were also mentioned in Exodus 12 and God calls them ordinances which in Hebrew is *khookaw* meaning statutes or appointed custom.

In [Exodus 12](#) God tells Israel about the passover and how they should burn the lamb or goat as a sacrifice and also to eat and then God says in [verse 11](#)...

11 And thus shall ye eat it; with your loins girded, your shoes on your feet, and your staff in your hand; and ye shall eat it in haste: it is the

LORD'S passover.

And then God says this in [verse 14](#)...

14 And this day shall be unto you for a memorial; and ye shall keep it a feast to the LORD throughout your generations; ye shall keep it a feast by an ordinance for ever.

And then God goes on to talk about the feast of unleavened bread and says in [verse 17](#)...

17 And ye shall observe the feast of unleavened bread; for in this selfsame day have I brought your armies out of the land of Egypt: therefore shall ye observe this day in your generations by an ordinance for ever.

So those feast day Sabbaths are also called ordinances.

Now remember, the Ten Commandments were written by the hand of God on the two tables of stone and were placed inside of the ark of the covenant. But, the rest of the law, the sacrificial law, ceremonial law; these ordinances were written by the hand of Moses, and check out where it was placed.

### [Deuteronomy 31](#)

24 And it came to pass, when Moses had made an end of writing the words of this law in a book, until they were finished,

25 That Moses commanded the Levites, which bare the ark of the covenant of the LORD, saying,

26 Take this book of the law, and put it in the side of the ark of the covenant of the LORD your God, that it may be there for a witness against thee.

So the **Ten Commandments were written by God placed INSIDE of the ark**. The book of the law, which were the **ordinances, were handwritten by Moses and placed OUTSIDE on the side of the ark as a witness AGAINST Israel**. Let's just keep this in mind.

Some of us are probably wondering why we went here. You will know

why in just a few minutes. Again, just remember...

The feast day Sabbaths were ordinances that foreshadow the sacrifice and ministry of Christ which were handwritten by Moses in the book of the law placed outside of the ark, on the side of the ark as a witness against Israel. Before sin, these feast day Sabbaths, which foreshadowed the sacrifice of Christ, was not needed because there was no sinner for Christ to die for. After sin, these feast day Sabbaths that foreshadow the sacrifice of Christ, were needed because now there ARE sinners that Christ had to make a sacrifice for.

Very important to keep this in mind.

VLOG

### 1. What is the seal of God?

In [Ephesians 4:30](#) Paul says:

grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.

Do not grieve the Holy Spirit because He is the one that seals us unto the day of redemption.

The word that Paul used for grieve is the Greek word *lupeo*

To make one sorrowful

How do we make the Holy Spirit sorrowful? There must be some kind of interaction between us and the Holy Spirit if we are able to cause the Holy Spirit to grieve or be sorrowful.

[John 15:26](#) Jesus says

when the Comforter is come... even the Spirit of truth... he shall testify of me:

So when the Holy Spirit comes, He will testify of Jesus

How? How will He testify of Jesus Christ? I mean, what exactly is He gonna say?

Usually when someone testifies of something or someone they use a

testimony.

Now, we know that Jesus is also God. If you are in doubt, notice John chapter 1 in the beginning was the Word and the Word was with God and the Word was God Everything was made by Him and without Him nothing that is made could have been made. Jesus Christ is the Creator.

### [Hebrews 1:8](#)

Talking about God the Father.

8 But unto the Son he saith, Thy throne, O God, is for ever and ever: a scepter of righteousness is the scepter of thy kingdom.

Jesus is also God. We need to figure out what is His testimony, the testimony of God, because His testimony is what the Holy Spirit is gonna use to testify of Him.

We are gonna notice three testimonies of Jesus Christ.

Check this out...

Remember in [Exo 25:8,9](#), God told Moses about Israel..

8 And let them make me a sanctuary; that I may dwell among them.

9 According to all that I shew thee, after the pattern of the tabernacle, and the pattern of all the instruments thereof, even so shall ye make it.

The tabernacle or temple, that Moses built here on earth was just a copy of the real tabernacle and temple that God showed him.

In Hebrews 9 Paul talks about the tabernacle and the temple that Moses built here on earth. Remember, only the high priest could enter into the most holy place. Jesus is now our High Priest... Paul says in..

[Heb 9:24](#) For Christ is not entered into the holy places made with hands, which are the figures of the true; but into heaven itself, now to appear in the presence of God for us:

The tabernacle that Moses built, from the courtyard to the sanctuary to the ark of the testimony... was a copy of the true which is in heaven..

if you don't believe me, check out what John saw in heaven

[Rev 11:19](#) And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament:

Let's zero in on the ark.

The ark that Moses built that was in the temple here on earth was a copy of the ark in the temple of God in heaven.

What's in the ark?

[Exodus 25:16](#) God talking to Moses  
And thou shalt put into the ark the testimony which I shall give thee.

Hmmm what is this testimony?

[Exo 31:18](#) And he gave unto Moses, when he had made an end of communing with him upon mount Sinai, two tables of testimony, tables of stone, written with the finger of God.

This is the Ten Commandments. This is God's testimony. God told Moses to put His testimony, the Ten Commandments, in the ark of the testimony. We know that it is His testimony because up in heaven he calls it the ark of HIS testament, in the book of Revelation.

The Ten Commandments is God's testimony and it is Christ's testimony as well because He is God.

Remember what Jesus said in [John 15:26](#)  
when the Comforter is come... even the Spirit of truth... he shall testify of me:

What testimony is He gonna use to testify of Christ? The testimony of Christ which is the Ten Commandments...

And it's no wonder why later on in [John 16](#) Jesus says that when the comforter or the Holy Spirit is come  
8 ...he will reprove the world of SIN, and of righteousness, and of judgment:

What is sin?<sup>1</sup> [John 3:4](#) sin is the transgression or the breaking of the law, the Ten Commandments.

So when the Holy Spirit comes, He will convict you of sin; sin being the transgression or breaking of the law. How is He going to convict you of sin? He will testify of Christ using the testimony of Christ which is the Ten Commandments because how on earth can you be convicted of sin if no one testifies the law to you

That's how it works. The Ten Commandments is one of the testimonies of Jesus Christ.

Now check this out. Let's go even further. Remember in John chapter 5 when the Jews were trying to accuse Jesus of breaking the Sabbath, He says thus to them.

[John 5:39](#) Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me.

The scriptures testify of Christ. Now, back when Jesus said this, they only had the Old Testament because the New Testament was not yet written. Jesus was saying the entire Old Testament testifies of Him. What was mainly in the Old Testament?

The narrative of the entire Old Testament consists of the law and the prophecies of Jesus. The killing of bulls and lambs. The prophecy that Jesus had to come and be the sacrifice.. the substance to the shadow.

Everything in the Old Testament was about Jesus and Him being the Sacrifice.

Adam and Eve sinned and they made aprons for themselves and then

God came and said get those aprons out of here.. I will make you coats of skin.. how did God make coats of skin? There had to be an animal sacrifice.

Cain and Abel. There was a sacrifice.

The story of Abraham and his son, God provided a ram that was caught in the bush as a sacrifice.

Elijah sacrificed a bullock and then fire came down to devour the sacrifice.

Samson sacrificed himself to save Israel.

The entire sanctuary service was about the sacrifice of Jesus Christ.

And remember, the sacrificial laws and ceremonies all were foreshadowing what Christ would do which is become the ultimate sacrifice for us because we sinned.

The Old Testament testifies of Jesus as the sacrifice. And it is because we are a sinful world that He sacrificed Himself for us. When we understand this, it will lead us to repentance, which means to change our mind or to reverse or to turn away from our sins... it means stop doing it.

This is another testimony of Jesus Christ; the fact that we are sinners but Jesus was the ultimate sacrifice that died for us so we should repent of our sins. The entire bible testifies of this.

Let's go even further than this now... [Revelation 19](#), John the revelator had an encounter with an angel and he says...

[Rev 19:10](#) ...I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellow servant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy

Another testimony of Jesus. The Spirit of Prophecy. Prophecy testifies of Jesus Christ. How? Prophecy reveals to us that Jesus will return

again to take us home.

So what are three testimonies of Jesus we have just learned about? Let's say it like this.

Testimony 1. We are law breakers, sinners, punishable by death. But the good news, Jesus died for us: Justification

Testimony 2. Because Jesus died for us it should lead us to repentance, which means turn away from your sins, obey God and stop breaking the Ten Commandments. Remember Jesus said in

[John 17:17](#) Sanctify them through thy truth: thy word is truth.

And [Psalms 119:142](#) Thy law is the truth.

So when we faithfully keep the Ten Commandments that is sanctification

Testimony 3. The prophecy that Jesus will come again to take us Home that is glorification.

That's the whole plan of salvation. So when the Holy Spirit comes to you... He will convict you of sin, that you are breaking the law, the Ten Commandments, you deserve to die, but Jesus died for you so repent and turn away from your sins, obey God and keep the Ten Commandments and faithfully await the second coming of Jesus Christ, He will take us home. That is the gospel. So when the Holy Spirit comes to you, He will preach to you the gospel.

the central theme is that the Holy Spirit will lead you to the Obedience of God's law. The Ten Commandments. All ten.

And if we don't accept this testimony... if we don't turn away from your sin and obey God's Ten Commandments we have just rejected the Holy Spirit and if we do that we have just made the Holy Spirit sorrowful.. we have just grieved the Holy Spirit when we don't repent.. why?

[James 2:26](#) For as the body without the spirit is dead

## **BREAK**

People grieve when their loved ones die... If we reject the Holy Spirit's counsel to repent and obey the law of God, then we are as good as dead and that's why He would be grieving... Because by rejecting Him we are rejecting the one who can give us life.

So this is the Job of the Holy Spirit is to lead us to Obedience... the Obedience of God's law. The Ten Commandments.

[Ephesians 4:30](#) again, Paul says:

*grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption.*

If we are sealed by the Holy Spirit, and the Holy Spirit's job is to lead us to the Obedience of the Ten Commandments then are the Ten Commandments the actual seal?

[Rev 7:2,3](#) *And I saw another angel ascending from the east, having the seal of the living God: and he cried with a loud voice to the four angels, to whom it was given to hurt the earth and the sea, Saying, Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.*

The greek word that John used for seal is the word *sfragis* which means a signet, signature, an impressed stamp, or a mark of genuineness.

In hebrew it is the word *khatham*.. it means to seal up, to close, to secure.

God will secure His people using His signature or seal.

Back in the olden times when a king writes up a scroll, he rolls it up and secures it with his signet or seal which is on a king's ring. A king's seal contains three things. His name, his title, and his territory. For

example, let's say u find a very important scroll that contains some important written documents from Cyrus king of Persia. You would know who that scroll belongs to by noticing the seal. It would say Cyrus, king of Persia. If you only saw the name "Cyrus" on the seal, then it would be just some random scroll. It could belong to any Cyrus... but if the seal said "Cyrus, King of Persia," You would realize that this isn't just some random scroll. It would narrow the owner down to just one person and one person only. Make no mistakes about it, this scroll belongs to the King.

So God's seal must have His name, His title, and his territory. Where in the Bible can we find this? A little hint, the seal is God's signature so He would have to write it with His own finger.

### Exodus 20

*8 Remember the sabbath day, to keep it holy.*

*9 Six days shalt thou labour, and do all thy work:*

*10 But the seventh day is the Sabbath of the LORD thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates:*

*11 For in six days the LORD made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the LORD blessed the Sabbath day, and hallowed it.*

By keeping the Sabbath, we acknowledge that everything belongs to God. The heaven, the earth the sea and all that in them is belongs to God and we acknowledge this fact by keeping the Sabbath. By keeping the SABBATH we are saying, make no mistakes about it, God owns the universe. And if you do that you are acknowledging that you belong to God.

Some will refute and mention colossians 2:16. We will get to that in a bit.

Check out what God says in [Ezekiel 20:12 and 20](#)

[Eze 20:12](#) *Moreover also I gave them my Sabbaths, to be a sign between me and them, that they might know that I am the LORD that sanctify them.*

[Eze 20:20](#) *And hallow my Sabbaths; and they shall be a sign between me and you, that ye may know that I am the LORD your God.*

Again, by keeping the Sabbath, we are acknowledging that God is the Lord, our God. It is His signature, His seal that will be on our forehead. It will not be literally on our foreheads, it is a spiritual mark. And no it isn't just for literal Israel or for the literal Jews because in Romans 2 Paul explains you are not a Jew outwardly but you are a Jew inwardly and true circumcision is not physical in the flesh but spiritual in the heart. He also says that when you get baptized and keep the Ten Commandments you become Israel, spiritually. Jesus also mentions that those who do the works of Abraham are Abraham's seed whether you are from the nation of Israel or a gentile. plus there is nowhere in the Bible that states the Sabbath is only for the Jews.. you cannot find that text anywhere, but you can find where Jesus says that the Sabbath was made for MAN... not just the Jew.. so.. **The seal of God is the Sabbath...** but it isn't JUST the Sabbath because that commandment is connected to the rest of the commandments.

[James says in chapter 2 verse 10](#)

*10 For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.*

The seal of God is the Sabbath along with the rest of the Commandments. But the Sabbath is an important commandment to keep if you truly want to show that you belong to God.

Anybody can abstain from murder, but that doesn't mean he belongs to God. Anybody can honor his parents but that doesn't mean he belongs to God. A buddhist can abstain from lying but that doesn't mean his allegiance is with God. A muslim can abstain from covetousness but that doesn't mean his allegiance is with God of the Bible. An atheist can abstain from adultery but that doesn't mean his allegiance is with God

Anyone can keep nine of the Ten Commandments, you can only have one god, you can abstain from bowing to idols, you can abstain from using His name in vain, but **the 4th commandment shows which God**

**you serve** because again, by acknowledging the Sabbath, you acknowledge THE God of the Bible to be THE God who created the world in six days and rested on the Sabbath. There would not be atheism today if we all remembered to keep the Sabbath. Because by keeping the Sabbath we would all acknowledge that God is our Creator. So keeping all Ten Commandments, including and especially the Sabbath commandment, is the seal of our God.

And we don't keep it in order for God to love us or in order for God to save us. We keep it to show appreciation and deep connection to God BECAUSE He loves us and BECAUSE He saved us.

### Isaiah 8

*16 Bind up the testimony, seal the law among my disciples.*

This is why, in the end, we will be sealed by the Holy Spirit by convicting us of sin, that we break the law, but will testify that Jesus died for us and will advise us to repent and stop sinning and lead us to the Obedience of God's Ten Commandments sealing us unto the day of redemption when Jesus comes to take us Home and this is why the angel said in [Rev 14:12](#) right when Jesus returns, *Here is the patience of the saints: here are they that keep the commandments of God, and the faith of Jesus.*

But let's dig a little deeper now..

Remember, this seal will not literally be on our foreheads, it is a spiritual signature and it will not be for literal Israel but for spiritual Israel, of course, some literal Israelites are also spiritual Israelites.

So God's mark or signature is His seal and it is given to the forehead only of those who belong to Him.

### Rev 7

*4 And I heard the number of them which were sealed: and there were sealed an hundred and forty and four thousand of all the tribes of the children of Israel.*

Again, this is spiritual Israel. The 144000 will be the ones that are sealed in their foreheads in the end. Of course, that seal is the Ten

Commandments but specifically the Sabbath. Now check this out.

**Rev 14:1** *And I looked, and, lo, a Lamb stood on the mount Sion, and with him an hundred and forty and four thousand, having his Father's name written in their foreheads.*

Revelation 7 says that the end time people will have the seal or signature of God in their foreheads but Revelation 14 says that the end time people will have the NAME of God WRITTEN on their foreheads. Interesting...

Who can perfectly write the name of God but God alone? And where do we find God writing His name? In the Sabbath commandment. His actual signature.

Now a name in the Bible is actually symbolic for someone's character. The name Jacob for example means usurper. That was the character of Jacob. He usurped the birthright of his brother Esau. Then his name was changed to Israel because his character was changed. He prevailed with God. The name Abraham means father of many. This was Abraham's actual title and character. He was and still is the father of many nations. The name David means beloved which was the character of David. He was beloved. The name Esau means hairy which was true, Esau was hairy. So a name in the Bible can also mean title or character.

Check out what the Bible says about God's name and character in comparison to God's law.

**Luke 1:49** *For he that is mighty hath done to me great things; and holy is his name.*

**Isa 57:15** *For thus saith the high and lofty One that inhabited eternity, whose name is Holy;*

**Rom 7:12** *Wherefore the law is holy, and the commandment holy, and just, and good.*

Name is holy, law is holy.

\* \* \*

Jesus says I am the way the TRUTH and the life

[Psalms 119:142, 151](#) says that God's LAW is the TRUTH and that all of His commandments are the truth.

So Jesus character is the truth and His Law is the truth.

[Ezra 9:15](#) says that God is righteous in character

[Psalms 119:172](#) says that the law is righteous

[Matthew 5:48](#) says that God is perfect

[Psalm 19:7](#) says that the law of God is perfect, converting the soul

The Ten Commandments or the law is a transcript of God's name or character.. makes sense that His name will be written on the foreheads of God's SERVANTS because God's character will be written on the minds of those who SERVE and OBEY Him when they reflect his character, the obedience of His Ten Commandments.

It's interesting, the very rules that parents teach their kids are the very rules the parents keep themselves. It is their character. So we will have God's name because we will reflect His character, the Ten Commandments, and yes, this includes the Sabbath commandment especially.

Now, what about Colossians 2:16 & 17? Let's read...

### [Colossians 2](#)

*16 Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the sabbath days:*

*17 Which are a shadow of things to come; but the body is of Christ.*

What is Paul talking about here? We've talked about this. Paul was talking about the feast day sabbaths which were a SHADOW or a FORESHADOWING of things to come, the body or substance being Christ. Those are the feast days that God had to establish here on earth after sin was introduced into the world. Sin being the breaking of God's Ten Commandments, Those feast days are also called Sabbath

days and those feast day Sabbaths FORESHADOWED the sacrifice of Jesus for the remission of sin. Those days are different from the Seventh Day Sabbath. Those were the ordinances that Israel had to perform because they were all sinners. The Seventh Day Sabbath was established on earth BEFORE sin so it could not have been a foreshadowing of Jesus' sacrifice because the sacrifice was not yet needed since nobody sinned. Those Feast Day Sabbaths, however, were established AFTER sin and centered around a sacrifice and offering for sin which were all shadows or a foreshadowing that pointed to the REAL sacrifice, Jesus Christ, and His ministry, which is the substance to those shadows.

Those sacrificial laws and ceremonies were the ordinances Israel had to perform faithfully in order for them to reconcile with God.

So, If we just read Colossians 2 with context, here is what it says:

### Colossians 2

*13 And you, being dead in your sins and the uncircumcision of your flesh, hath he quickened together with him, having forgiven you all trespasses;*

*14 Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross;*

*15 And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.*

*16 Let no man therefore judge you in meat, or in drink, or in respect of an holyday, or of the new moon, or of the sabbath days:*

*17 Which are a shadow of things to come; but the body is of Christ.*

I hope what I'm saying is being understood. The Seventh Day Sabbath could not have been a foreshadowing of a sacrifice because when it was established on earth, sin had not yet happened and there was no need of a foreshadowing of the sacrifice of Jesus. But AFTER sin, God had established the FEAST DAY SABBATHS in which a sacrifice was in the center, to FORESHADOW the true sacrifice, Jesus Christ and also foreshadows His ministerial work that would reconcile us back to His Father. And since Jesus fulfilled those sacrificial laws, we do not need to keep the sacrificial laws no longer because the only thing we need to do now if we sin which is breaking the Ten Commandments including

the Sabbath Commandment, is to confess our sins and repent. We no longer have to sacrifice a lamb and keep the sacrificial laws and ceremonies.

Those were the things that foreshadowed Christ's sacrifice and ministry

[Ephesians 2:15](#)

*Law of commandments contained in ordinances are abolished in the flesh if Christ*

The law contained in ordinances were nailed to the cross, not the Ten Commandments. The sacrificial laws were nailed to the cross.. makes sense because it was THE sacrifice who was nailed to the cross. So again if we sin, which is to break the Ten Commandments, we no longer have to sacrifice a lamb... the sacrificial law have already been nailed to the cross... Christ fulfilled that. All we have to do now if we sin, which is to break the Ten Commandments, is confess our sins and repent, meaning **stop sinning**.

**BREAK**

In the end, people will be divided into two groups with the main issue being worship. Those who belong to the beast who worship and obey the beast or the papacy are identified by the papacy's mark of authority and those who belong to God who worship and obey God are identified by the seal of God. A mark and a seal are essentially the same thing. It is the sign or signature that signifies who you belong to.

So if the seventh day Sabbath is God's seal, along with the rest of His commandments, what then is the mark of the beast? What is the mark of the papacy's authority? How will the buying and selling be enforced in connection to the mark of the beast? What about the number 666?

Again, I am not here to make enemies or to shame anybody, I am only here to tell people the truth. If God's seal of authority is the Sabbath day, then what is the counterfeit? What is the mark of the Papacy's authority?

\* \* \*

*(Catholic Record of London, Ontario Sept 1, 1923).*

***“Sunday is our mark of authority... the church is above the Bible, and this transference of Sabbath observance is proof of that fact”***

*(H.F. Thomas, Chancellor of Cardinal Gibbons)*

***“Of course the Catholic Church claims that the change [Saturday Sabbath to Sunday] was her act... And the act is a mark of her ecclesiastical authority in religious things”***

*Cardinal Gibbons, in Faith of Our Fathers, 92nd ed., p. 89, freely admits, “You may read the Bible from Genesis to Revelation, and you will not find a single line authorizing the sanctification of Sunday. The Scriptures enforce the religious observance of Saturday, a day which we [the Catholic Church] never sanctify.”*

*Again, (The Catholic Mirror, official publication of James Cardinal Gibbons, Sept. 23, 1893)*

***“The Catholic Church, ... by virtue of her divine mission, changed the day from Saturday to Sunday”***

*(Our Sunday Visitor, February 5, 1950)*

***“Protestants do not realize that by observing Sunday, they accept the authority of the spokesperson of the Church, the Pope”***

What a shocking admission!

The observance of Sunday sacredness instead of the Sabbath, the papacy claims, is the mark of their divine authority. Sunday sacredness was first introduced to Sabbath keeping Christians by Emperor Constantine around the time he became the first ever pope contrary to the popular but false belief that Peter was the first pope.

The first day of the week was the day pagans back in those times recognized to worship their sun gods. They called it the venerable day of the sun or Sunday.

Now remember, to worship means to bow down in obedience to someone religiously. So by observing Sunday, instead of God's Sabbath, people are worshipping the Pope by obeying the commandments of the Pope instead of worshipping God by obeying

the commandments of God.

666

So if the papacy is the beast, and the papacy has a man in charge, and the number of the name of the beast is 666 and it is the number of a man and that man is from the beast or the papacy, is that man President Putin? Do we have to count the number of the name of Putin? Or what about President Trump? Or maybe the next US president? Or Hillary? No... obviously that would be the man who is the head or spokesperson of the beast which is the papacy. We would have to count the number of the name of the pope... make sense right?

Ok now, does that mean we count the number of the name of Pope Francis? Not necessarily because \*remember\* a name in the Bible is the title and or the character of the person. What is the title of the seat and office of the pope. Check this out. The title of the pope officially is "*vicarius filii dei*" guess what that means? The vicar of the Son of God. Who is the Son of God? Christ. What does vicar mean? **Replacement.** So the pope's official title is the replacement Christ...

This is the pope's official title. Do you guys know of another word for replacement? Anti... like antibody.. replacement body... so if the Pope is the replacement Christ and another word for replacement is anti then the pope is the anti... christ..... now check this out... the title *vicarius filii dei*.. it is Latin. Latin was the language prominent in Rome. In Roman characters there is no letter or character U because they use the V as the letter or character U. Now count the title in Roman numerals and tell me what you come up with.

There really is no debate. There is only one entity in the world that fit all of the characteristics of the beast. We now know that the beast is the papacy. Very simple to understand if we really read the bible and study bible prophecy and compare it to history. We have narrowed it down to the papacy as the beast and if the papacy is the beast then we have to look for and count the number of the name of the man in charge of the beast... there is no way you can miss this unless you don't

want to believe it, then your brain will create all kinds of excuses as to why this isn't so... I say this humbly...

But to conclude, knowing what is the mark of the beast or the number of the beast and 666 and all that is not what is going to save us. What good is prophecy if we don't have a relationship with God, right? I did this video because it was heavily requested but remember Jesus should be the center of our lives, prophecy is only one or many channels to know that Christ should be the center.

## WHY THE FOREHEAD AND RIGHT HAND?

Why is the seal of God and the mark of the beast on the forehead or the hand?

### Deuteronomy 6

*1 Now these are the commandments, statutes, and the judgments, which the LORD your God commanded to teach you, that ye might do them in the land whither ye go to possess it:*

*2 That thou mightest fear the LORD thy God, to keep all his statutes and his commandments, which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged.*

*3 Hear therefore, O Israel, and observe to do it; that it may be well with thee, and that ye may increase mightily, as the LORD God of thy fathers hath promised thee, in the land that floweth with milk and honey.*

*4 Hear, O Israel: The LORD our God is one LORD:*

*5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.*

*6 And these words, which I command thee this day, shall be in thine heart:*

*7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.*

*8 And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.*

\* \* \*

Hebrews 10

*16 This is the covenant that I will make with them after those days, saith the Lord, I will put my laws into their hearts, and in their minds will I write them;*

Rom 7:25 *I thank God through Jesus Christ our Lord. So then with the mind I myself serve the law of God;*

We serve God's law with our minds because every action starts with a thought.

Right hand

Psalms 17:7 *Shew thy marvelous lovingkindness, O thou that savest by thy right hand them which put their trust in thee from those that rise up against them.*

Why does this particular verse say God saves with the right hand? God can save with His right hand or left or right foot or left, etc etc.. God can use anything. What the Bible is saying is that God can save through His actions. The Bible uses the right hand symbolically because the right hand is most associated with someone's action.

Psalms 44:1-3

*1 We have heard with our ears, O God, our fathers have told us, what WORK thou didst in their days, in the times of old.*

*2 How thou didst drive out the heathen with thy hand, and plantedst them; how thou didst afflict the people, and cast them out.*

*3 For they got not the land in possession by their own sword, neither did their own ARM save them: but thy RIGHT HAND, and thine arm, and the light of thy countenance, because thou hadst a favour unto them.*

Here it says talks about God's WORK of saving His people and that His people didn't save themselves with their own arms but it was God's right hand, his work, his action, that saved them. We cannot save ourselves with our own WORKS or ACTIONS, God saves us through HIS works and actions, it was his RIGHT HAND symbolically.

\* \* \*

The right hand is symbolic for someone's works or actions.

**Ecc 9:10** *Whatever thy hand findeth to do, do it with thy might;*

So the forehead represents your faith and beliefs and your thoughts and it will propel you to take the necessary action according to it.

The right hand represents your actions.

Those who love God will put it in their minds to worship God by obeying His commandments including the Seventh Day Sabbath and it will show through their actions. Those who worship the papacy in their minds will obey the commandments of the papacy including Sunday sacredness and it also will show through their actions.

This does not mean that those who observe Sunday sacredness already have the mark of the beast. Revelation says that when it is caused or enforced and who ever complies to it, that's when they receive the mark of the beast.

Now, remember, to worship means to bow down in submission and obedience. So if you worship God you will bow down to him and obey HIS commandments. So again, remember, those who have the mark of the beast are the ones who worship the beast and keep his commandments. Does the papacy have their own commandments?

Yes. In fact the papacy's Ten Commandments are different from the God's Ten Commandments as found in the Bible. **In the papal Ten Commandments, Commandment Two about bowing down to idols is completely taken out.** Make sense because in the catholic church they bow down to statues and even pray to statues. I'm not saying this to make fun, but it's true. Since the 2nd Commandment is gone, the 3rd Commandment about using God's name in vain became the 2nd Commandment and the Sabbath commandment became the Fourth Commandment and even that is changed. **They say that we need to keep the Lord's day and they claim the Lord's day to be Sunday.** Biblically, that is not true.

**Isa 58:13** *If thou turn away thy foot from the sabbath, from doing thy pleasure on my holy day; and call the Sabbath a delight, the holy of*

*the LORD,*

Who's talking? The Lord. What does He call the Sabbath? His day. So then Biblically, the Sabbath is the Lord's day, not Sunday.

What does the papacy claim to be their sign or mark of authority? Sunday.

Lucius Ferraris - Prompta Bibliotheca, Volume 6, Section "Papa" - Article 2 *"The pope can modify divine law, since his power is not of man, but of God, and he acts as vicegerent of God upon earth."*

They even think they have the power to modify or interpret divine laws. That is why Sunday is the mark of their authority. It is because they think that by changing Sabbath to Sunday, they were exercising their power of authority over God and His Word. But we all know, NOBODY has power and authority over God.

[Nehemiah 13:15-18](#) *In those days saw I in Judah some treading wine presses on the sabbath, and bringing in sheaves, and lading asses; as also wine, grapes, and figs, and all manner of burdens, which they brought into Jerusalem on the sabbath day: and I testified against them in the day wherein they sold victuals.*

[Neh 13:16](#) *There dwelt men of Tyre also therein, which brought fish, and all manner of ware, and sold on the sabbath unto the children of Judah, and in Jerusalem.*

[Neh 13:17](#) *Then I contended with the nobles of Judah, and said unto them, What evil thing is this that ye do, and profane the Sabbath day?*

[Neh 13:18](#) *Did not your fathers thus, and did not our God bring all this evil upon us, and upon this city? yet ye bring more wrath upon Israel by profaning the sabbath.*

God prohibits work on the Sabbath. God commanded us not to work on the Sabbath, unless of course you are healing ppl and doing medical work, that's fine because Jesus said it is lawful to do good on the Sabbath. Its lawful to heal on the Sabbath. So anyway, if we aren't working on the Sabbath, we aren't selling on the Sabbath. Neither are

we buying on the Sabbath because then if we do, we are causing others to work on the Sabbath. God said to keep the Sabbath holy.

So if God allows for buying and selling on work days and then prohibits people from buying and selling on a certain day, will the devil have a counterfeit? Will he have a system that prohibits people from buying and selling as well? And how does this go hand and hand with Sunday keeping?

## BUYING AND SELLING

### CONCLUSION

What was that famous phrase? Those who fail to learn from the past are doomed to repeat it.

### Revelation 13

**Verse 15** says that life will be given to the image of the beast, the persecuting union of church and state, and that it should both SPEAK, make laws and legislations, and CAUSE, enforce those laws and legislations, that as many as would not WORSHIP this image, that means those who do not OBEY THE COMMANDMENTS OR LAWS OF THIS UNION OF CHURCH AND STATE, this is false worship, should be KILLED. And he causeth, or he will enforce, all both small and great, rich and poor, free and bond, to receive a mark, that's Sunday keeping, in their right hand, that's through their actions, or in their foreheads, through their thinking or belief system and faith:

**Verse 17** says that no man might buy or sell, save he (**except he**) that had the mark (**those who keep Sunday**), or the name of the beast (**those who have the apostate CHARACTER of the papacy and keep the COMMANDMENTS of the papacy, mainly sunday keeping**), or the number of his name, that would be 666. Remember, the name or the title of the pope is vicarius filii dei which adds up to 666 and that name and title vicarius filii dei, translated in english is anti christ. So the number 666 really represents the character, or title, or name antichrist. so then the number 666 represents the apostate anti christian character of the papacy. So when the sunday Page 41 law is enforced

and you accept the keeping of Sunday instead of the Sabbath, you have just accepted the number 666 which represents the pope's anti christian name, character and title vicarius filii dei or antichrist in english, to be written in your forehead; you have just let the pope sign the signature of his name and his disobedient, defiant, and apostate character in your mind, instead of letting God sign the signature of HIS Name and Faithful Character, the ten commandments, in your mind.

it's all about worship. Who do you obey? Who's character do you reflect? Do you display true worship? or are you participating in false worship?

America will soon tell it's citizens to make a likeness of the papacy, a persecuting union of church and state, and this union will speak and enact the same laws and commandments of the beast which is the papacy. That same law is mainly Sunday worship. They will enforce Sunday worship and those who do not obey this law or commandment will not have the mark of the beast and will not be able to buy or sell and will eventually be killed. So then this means there will be a system in place where they can tell who are those who keep Sunday and have that mark and only they will be able to buy and sell.

Are we on the verge of this today?

Some have already heard me talk about this before... In almost all fifty states and even other parts of the world, we have a legislation called the blue laws. Blue laws, also known as Sunday laws, are laws designed to restrict or ban some or all Sunday activities for religious reasons, particularly to promote the observance of a day of worship or rest instituting the sacredness of sunday. Blue laws (national Sunday laws) are already in the law books across America and around the world but are not yet being ENFORCED today. It was being enforced a long time ago but they stopped enforcing it. There will come a time where they will enforce it again, heavily, with the main objective of resting on sunday and banning the buying and selling on Sunday.

Have there been efforts to enforce this law?

The fact is that the enemy unseen have been subtly hinting at the enforcement of a Sunday law.

*In July of 2014, Catholic.org NEVER ON A SUNDAY: Pope Francis says working on Sunday has negative effect on families*

*"Maybe it's time to ask ourselves if working on Sundays is true freedom," he said.*

The pope also said that spending Sundays with family and friends is an "ethical choice" for faithful and non-faithful alike. He's including atheists in this Sunday observance.

Page 42 *"Pope Francis: Sundays are a gift from God – don't ruin it"* (Catholic News Agency, August 12, 2015). *"Francis pointed to Sundays as a particularly important time for rest, because 'in them we find God'"* (emphasis added). He stressed this in the context of his September 26 speech in Philadelphia at the World Meeting of Families. Thus there is no doubt that stressing Sunday is high on the Pope's agenda. In fact they already started in Poland.

One Sunday out of the month, buying and selling is banned. Of course except for gas stations and things.. by this year two Sundays out of the month buying and selling will be banned and by 2020, Sunday shopping will be banned indefinitely.

A lot of Christians don't even know what is going on and it's happening right under their noses. Their radar for truth have missed it because the majority of Christians today, their thinking have been infiltrated by false doctrine that comes from the very church they protested years ago. They are looking every which way yet behind the scenes they missed the inner workings and the preproduction of a coming Sunday law. They are looking at barcodes and computer chips on the one hand of false doctrine which is totally misdirecting them and distracting them from paying attention to what the other hand is doing behind the scenes. Headlines all over the world are asking for a Sunday law and Christians look at this and they don't even know if it is a good thing or a bad thing, it's a state of confusion... Babylonian thinking.

## FINAL QUESTIONS

**BREAK**

\* \* \*

How do you get a nation, and even the whole world to unite and comply with a Sunday law? You know, every time there is a natural disaster, riots, and wars, food and water and other necessary supplies become limited. What if more natural disasters come and limit our necessities? People would die, there would be an economic crisis.

The world is almost ripe for the taking. The world is almost ready to accept a world wide peace. How many more disasters is it gonna take? How many more riots, and wars and rumors of wars is it gonna take where people are just gonna be tired of it and they are gonna look for a leader to unite the world? They are gonna look for a leader to bring peace on earth because things are getting out of hand.

Think about it, we have people versus people, gang versus gang, religion versus religion, country versus country, army versus army. Everyone diverse, everyone different from each other. Different lifestyles and different religions. The only way to bring true peace is to let God be our leader but everyone is so different and diverse, they are not gonna want the God of the Bible, they want another leader. One who can accommodate their own beliefs. They are gonna want a leader who can unite this belief with that belief, and this religion with that religion, this lifestyle with that lifestyle. They want someone universal. They want someone who will even accept atheistic beliefs. The big bang theory and evolution. Has there been someone working to unite different beliefs, different religions, different kinds of people and different lifestyles? This president with that president? This county leader with that country leader? Have there been someone?

**The world is looking for someone to admire.** The world is looking for a leader to unite these other groups of people no matter how much they differ in belief and lifestyle. The world will be looking for someone, a leader that they can admire so much that they are not gonna wanna make war with him and will do as he says in order to bring peace in the world and for the common good of the people.

**The Bible says that the world wondered after the beast.** The word "wondered" means the world "admired" the beast and who can make war with him? No one. Why? Because he is so admired and all he wants to do is bring peace in the world and unite the world even at the

cost of the truth of God's Word.

What if this religious leader comes out and says that all these natural disasters are a judgment from God and it's because we sinned against God with all these riots and mass shootings and racism and legalized gay marriage that these disasters are happening and limiting our daily necessities and supplies. Let's all unite under one umbrella to worship God again for the common good. Atheists can join too, even if you don't believe in God, we need to ban together for the common good. Mandatory. Why? Because we need our daily necessities. Food and water and other important supplies. We can't afford more natural disasters. We can't afford to lose our livelihood and the things that support our lives each and every day.

They come to the conclusion that we all need to keep Sunday in order to "appease" God so that He gives back the rain. When disasters still strike after campaigning for Sunday, who are they gonna blame? Sabbath keepers. The true followers of God.

When that drought happened and that famine happened during Elijah's time, who did King Ahab blame? Elijah. The true follower of God. The one who told Ahab that he must obey God's commandments. Think about it. If more disasters occur and we run out of our necessities they will need to ration and limit our spending. It's those Sabbath keepers that do not comply with our Sunday worship that is causing God to send judgments upon earth, is what they will say. How desperate do people have to get? How much loss of necessities can people take before the future becomes a whole witch hunt for Sabbath keepers? It's only gonna be a matter of time. What if that one religious leader says only those who keep Sundays and want to uphold the good of society or the common good can buy and sell. Those who don't keep Sunday, limit their spending... because they are not helping our cause.... think about...

The mark of the beast is not some microchip or barcode, it's a spiritual mark. It is a spiritual mark on a person that indicates he is a worshipper or an obeyer of the laws and commandments of beast, the papacy, and his image. Well how is this spiritual mark gonna limit our buying and selling?

\* \* \*

Do microchips have something to do with it? Maybe they can freeze our credit cards or debit cards. Maybe those who put their allegiance towards the beast, or the papacy need to have it shown on their identification cards.

Let me offer a thought. Greece in the year 2015 and in the month of June, due to some economic or financial crisis, the Greek government was forced to immediately close Greek banks for almost twenty days and also implemented controls on their bank transfers and limits on cash withdrawals. They did this to avoid a complete collapse of the Greek banking system. Initially, account holders were only allowed to withdraw 60 euros (\$70) a day, and if they missed one withdrawal they were unable to get the cash another day. They don't need to use a microchip to hold your money and limit your spending. All they gotta do is freeze your bank account. They are gonna come up with a way to know if you are a sabbath keeper or a sunday keeper and if you are a sabbath keeper they will limit your spending. It all boils down to one thing. The Bible says that is all boils down to one thing and that is Worship. Who do you obey? God risked His eternal life for you. The pope cannot risk his eternal life for you because his life is not eternal. Who do you give your allegiance to?

Praise God Always!
